FOREIGN AGRICULTURAL SERVICE
UNITED STATES DEPARTMENT OF AGRICULTURE

H225
F312 C
cop. 2
1961

A compilation of Meetings of Professional Societies, Trade
Associations, Farm Organizations, Fairs, and Other
Agriculturally Related Organizations

--January 1961--

The material for this "Calendar of Events" was prepared in the Foreign Educational Branch of the Federal Extension Service at the request of the Foreign Training Division, Foreign Agricultural Service. The material has been assembled primarily for use by persons planning training programs for foreign nationals.

P. K. Hooker of FES, who assembled the information, emphasizes the fact that the list is not complete, particularly in the case of State events. To list all State events would make the calendar too voluminous. Exact dates were not available in some instances, but any one interested may get them by writing to the "contact" person listed.

Recipients of this "Calendar of Events" are requested to supply the Foreign Training Division, FAS, or the Foreign Educational Branch, FES, with suggestions for improvements in the content and completeness of this material, which may make it more useful for all concerned.
